

## Coaching Membership

Partner with an instructional coach to meet your district's specific needs. **New** and **veteran** teachers alike will benefit from collaborative sessions that support program implementation, lesson plans, and ongoing challenges to receive actionable strategy feedback. Heinemann helps districts attract, engage, and retain teachers by supporting them with yearlong 1:1, PLC, or cohort collaboration with an expert coach and partner.

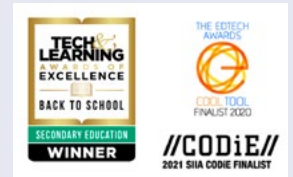

Coaching provides the perfect opportunity to focus upon standards-aligned instruction and best practices.

### Coaching topics include:

- Goal setting
- Collaborative planning
- Lesson modeling/co-teaching
- Data analysis
- Standards-aligned instruction

### Coaching is delivered via:

- Live online sessions,
- In-person sessions, and
- through Asynchronous feedback via [Coaching Studio](#)

## Membership Subscription

Coaching pathways are flexibly designed based on the unique needs of the district, number of educators in each cohort, and type of membership subscription.

The Professional Learning Service offerings of Coaching Membership and Live Online Courses are brought to you in partnership with our parent company, HMH. Our Coaching Studio destination is where you will access your coaching subscriptions. As we engage with you for these services, we want you to be aware that you will receive HMH branded communications that will include necessary instructions for you to get started. HMH's terms of purchase can be found at <https://www.hmhco.com/terms-of-purchase#digital-products>.
