To ensure strong candidates in the future, we encourage you and your members to nominate eligible candidates for the 2022 election. Nominations will be accepted online from July 15 to September 1, 2021, for the following positions:

Board of Director: Four (4) positions are available. An individual must have been a member of the Council continuously during the preceding three (3) years and must have served on a major committee of the Council, in another leadership role in the Council, or in an Affiliate leadership role.

To ensure balanced representation as required by the NCTM Bylaws, the need to fill specific Board positions for the 2022 election will be determined after the 2021 election. You can also help the Council by nominating promising members for leadership roles on committees, task forces, editorial panels, and conference support.

Thank you for your support of NCTM.

Sincerely,
